By accepting the present OGTC, the Clients grant their explicit consent to the full or partial transfer of the contracts regarding the Sale of Advertising and waive their right to withdraw such statement.

M-RTL is entitled, subject to the notification of the other party in advance, to assign fully or partially its claims specified in the contract regarding the Sale of Advertising or those arising therefrom and relating thereto within the company group.

The Client grants its explicit consent to the takeover of the obligations of M-RTL specified in the contract regarding the Sale of Advertising or those arising therefrom and relating thereto by a third party.

If M-RTL notifies the Clients of this, third parties within the group of companies shall also be entitled to sell advertising on the Websites, the Large Screen Platform, and Premium CTV surface, in accordance with the above.

If the authorisation of the third party within the group to carry out Sale of Advertising is terminated, the contracts not yet performed by the third party within the group shall be transferred to M-RTL pursuant to the above provisions. M-RTL shall notify the Clients about the transfer, and the Clients grant their consent to the transfer, and waive their right to withdraw this statement, by having accepted the present OGTC.

Unless otherwise agreed by the Parties, the provisions of these OGTC as well as M-RTL's General Terms and Conditions (GTC) for the Sale of Advertisements shall apply to the contract on advertising. Should there be any inconsistencies between the General Terms and Conditions (GTC) of the television advertising of M-RTL and the present OGTC, the provisions of the present OGTC shall prevail. Any statement by the Client excluding or limiting the application of the OGTC is invalid. Any provisions of the OGTC which the Parties may not wish to apply or which they wish to apply with different content in their legal relationship, may be specified in writing in the individual contract. If the Client wishes to apply its own general terms and conditions to the legal relationship of the Parties, this shall only be possible with the express written agreement of the Parties, and only if this is not contrary to the provisions of these OGTC. In case of a Spending Commitment, the commercial communications ordered on the Websites and displayed in a video player embedded on Other websites are included in the performance of the commitment, including the purchase of advertising space based on a so-called Private Deal. Each purchase of advertising space that is carried out using automated, online advertising technology, at individually fixed customer prices is considered as a purchase on a Private Deal basis. If the amendment contains provisions that are substantially detrimental to the Client, the Client may cancel the order without paying penalties within 5 business days of the written notice on the price change. Any changes necessary to the OGTC due to changes in the legislation, which are mandatory without the possibility of derogation, shall apply regardless of the effective date of the amendment of the OGTC. The above deadline shall not apply to the requirement for the Service Provider to inform the Client on the amendments made to the OGTC based on the above, or on the OGTC being amended or supplemented due to changes in the law and/or required by an official act. The Client expressly acknowledges and accepts this.

The Service Provider reserves the right to change the price. The Service Provider shall notify the Client in writing at least 25 days prior to the introduction of the price increase (electronic message is also acceptable). The new prices shall apply also to orders that have already been confirmed. In the case of special content upgrading, the new tariff shall also apply to orders already confirmed.

Within 5 business days of the information on the price change, the Client may cancel its order without paying penalties. After such date, the Client shall pay penalties for the Cancellation of orders pursuant to Chapter VII.

2. Pricing Factor applicable to New Advertisers

In the case of a Client that may be considered as a new one by the Service Provider, a pricing factor applicable to new advertisers in the amount of maximum 15% is available.

Clients who did not have any spending at the Service Provider on online advertising in the two years preceding the year concerned are entitled to request the pricing factor applicable to new advertisers. Any intent to apply the pricing factor applicable to new advertisers must be indicated by the Client in advance in writing. The Service Provider will confirm the application of the pricing factor in writing if the following conditions are met.

The pricing factor applicable to new advertisers is available the first time in the case of Campaigns the length of which does not exceed 28 consecutive days. The request for the pricing factor applicable to new advertisers may be submitted in writing at the latest by the date of submitting the order. Requests submitted after the placement of the order will not be taken into consideration by the Service Provider.

3. Quantitative Discount

The Service Provider may apply a volume-based pricing factor in the case of Clients who undertake to purchase online advertisement from the Service Provider for a certain value during a given period of time.

4. Other Discounts

The Service Provider may, at its own discretion, grant further pricing factors.

5. Public service advertisement (PSA):

- (a) Special form of advertising, which is sold by the Service Provider based on the application of individual pricing. In accordance with the agreement of the Parties, the rate of applicable discount may be at least 30% of the List Price.
- (b) The Service Provider completes exclusively orders related to PSA campaigns based on AdView (AV) and/or fix duration.
- (c) Campaigns are evaluated individually, and the creative content of the campaign shall be sent to the Service Provider in advance, 5 working days prior to publication.
- (d) The Client shall ensure that the content and design of the PSA comply with the applicable law.
- (e) The Service Provider shall be entitled not to publish a PSA already ordered at its own discretion, and shall inform the Client of such decision in writing. The Service Provider may refuse the publication of the PSA without any justification. The Client shall acknowledge such information, and shall not be entitled to any compensation or claim for damages against the Service Provider.
- (f) The deadline for ordering public service campaigns shall be at least 10 working days prior to the start of the campaign.

6. Surcharges

- (a) Subject to a surcharge, the Client may request so-called “sector exclusivity” (avoidance of publishing the advertisements of Concurrent Advertisers), which means that the Client requests that the ads of its competitor do not appear next to its Advertisement on a specific page, in the case of a specific page download. The Service Provider reserves the right to refuse requests for “sector exclusivity”. The amount of surcharge shall be specified by the Service Provider after consultation.

- (b) The Service Provider applies a third-party advertiser surcharge of 15% if in addition to the original product another product/service or another advertiser appears in the same film or in the same advertising space. (For each product and advertiser, regardless of the length or appearance or size of surface. The verbal/written appearance of the name, logo or website of another product/advertiser shall be considered as the appearance of another product/advertiser regardless of the length or appearance or size of surface. Websites, social networks and other media surfaces are also considered as other products.)
- (c) The Service Provider applies a surcharge if, after clicking on it, the creative content (banner, online video spot, other display surface) does not direct the User to the website (landing page) operated by the Advertiser or on behalf of the Advertiser. The Service Provider shall also be entitled to apply a surcharge if the landing page of the Advertisement is an online web-shop operated by a third party. The rate of surcharge shall be 15%.
- (d) The Service Provider may also apply a surcharge if the Client applies frequency capping during the campaign. The amount of surcharge shall be specified by the Service Provider at its own discretion and after consultation, and the Service Provider shall notify the Client thereof.
- (e) The Service Provider may apply a surcharge if the Client applies a target that is different from the target groups determined below (gender and/or age target) during the campaign.

Target groups specified		
18–29		
18–39		
18–49		Female
18–59		
25–49	and/or	
25–59		Male
30+		
45+		

Where an age and/or gender target is applied that is different from the specified target groups, the Service Provider shall determine the surcharge at its own discretion and after consultation, and the Service Provider shall notify the Client thereof.

- (f) The Service Provider may apply a surcharge if the Advertiser applies narrowing within the day or the week during the campaign. The amount of surcharge shall be specified by the Service Provider at its own discretion and after consultation, and the Service Provider shall notify the Client thereof.
 - (g) The Client acknowledges that if it ordered a “Run-of-Site” advertisement, then the placement of the Advertisement will be specified by the Service Provider. If the Client does not wish to use any of the subpages available at the Websites during the campaign, it is possible to exclude up to 2 subpages at a surcharge of 15% for each subpage.
 - (h) The Service Provider may apply a surcharge if the Advertiser applies geotargeting during the campaign. Parties shall agree on the extent of narrowing the geotarget in advance. The amount of surcharge shall be specified by the Service Provider at its own discretion and after consultation, and the Service Provider shall notify the Client thereof.
 - (i) In the event that the Client fails to fulfil its commitment undertaken in a separate agreement (Digital spending commitment), a surcharge that equals the net amount of the unfulfilled part of the annual commitment shall be invoiced.
7. In the event of unauthorised application of any of the pricing factor, the Service Provider shall be entitled to re-invoice and re-claim the amount of the pricing factor used unlawfully, and demand the enforcement of a surcharge. In accordance with Act CXXXVII of 2007, the Service Provider issues an amending invoice or a reverse invoice.

VII. CANCELLATIONS, AMENDMENTS

1. The day of cancellation or amendment shall be the day when the Service Provider receives the written notice on the cancellation or the amendment. The basis for the calculation of the cancellation fee/surcharge shall be the first day of the campaign.
2. Amendment shall include the modification of any of the data provided in the order, detailed in Section 3 of Chapter III, even if the budget is not modified.
3. Cancellations or amendments shall be reported in writing (in registered mail or email), which shall be confirmed by the Service Provider in writing. The basis for any eventual complaints shall be the confirmation. Cancellations or amendments not confirmed in writing shall be considered as not accepted, and damages and payment obligations arising therefrom shall be borne by the Client.
4. Advertisement materials for ongoing campaigns (such as change of banners) may only be modified in accordance with the deadlines specified in Section 1 of Chapter III.
5. The Client acknowledges that in the event of cancellation the cancellation fee shall be calculated on the basis of the net price for the cancelled advertisements without the application of the Agency Discount in accordance with the following:
 - a. on the third week before the planned start of the campaign 10%,
 - b. on the second week before the planned start of the campaign 20%,
 - c. on the week before the planned start of the campaign, not later than 48 hours before the start of the campaign 30%,
 - d. within 48 hours before the planned start of the campaign 50%,
 - e. on the day of the planned start of the campaign 100% shall be paid.

Cancellation shall include all campaign modifications according to which the budget of the campaign for the month in question decreases. In such cases, the cancellation fee shall be calculated on the basis of the cancelled net amount for the month in question.

6. The Client acknowledges that if the Service Provider cannot place the Client's advertisement on the ordered advertising spaces due to reasons attributable to the Client (for example because the Client has not provided the materials, films prior to the start of the displays within the deadline specified in Section III/1), the full amount of advertising fee (reduced by the Agency Pricing Factor) will be invoiced.
7. The Client acknowledges that in the event of a delay/faulty delivery due to reasons attributable to the Client, the Service Provider cannot guarantee the display of the ordered amount of adview, however, the full advertisement fee calculated based on the ordered amount will be invoiced.
8. The Client acknowledges that in the event of a delay due to reasons attributable to the Client, the Service Provider may phase out the ordered quantity without narrowing, run-of-site.
9. The Service Provider may accept the modification of the campaign booking form during the campaign in duly justified cases. For this, the order shall be sent to the Service Provider in writing at least 5 working days before the requested date, and the material necessary for such modification shall be sent at least 3 working days before the requested date. This may result in the modification of the advertising fee.
10. The Client acknowledges that in the event of re-scheduling the order, a surcharge equalling 10% of the fees for the advertisements affected by the re-scheduling shall be paid (if the campaign is not deferred with more than 2 days). Nevertheless, the Client acknowledges that if a modified campaign is cancelled, the period of the original order—prior to the modification—will need to be taken into consideration, i.e., the penalty set forth in Section 5 of this chapter will be aligned with the originally scheduled—prior to the modification—start date of the campaign.
11. The Client is not entitled to provide third parties with the cancelled advertising space.

12. If it becomes obvious for the Service Provider that its agreement with the Client will not be completed, the Service Provider reserves the right to re-negotiate the conditions.
13. In addition to the cancellation fee/surcharge, the Service Provider may also invoice its justified costs arising from the cancellations or amendments.

VIII. INVOICING

1. In the case of the given campaign or a campaign concerned by partial performance, the Service Provider shall be entitled to issue, and send to the Client, the relating invoice in accordance with the performance as of the final day of the partial performance (affected by said partial performance).
2. The Service Provider will issue an electronic invoice which it will sign electronically and send in PDF format in an email to the email address indicated in the annex. The Service Provider will regard invoices duly delivered when the email has been sent; therefore, the Client shall be responsible for providing a correct email address during registration and shall inform the Service Provider if it changes.
3. In the case of Programmatic campaigns, invoices are issued to the DSPs.
4. Subject to prior arrangement, the Service Provider shall provide an opportunity to the Client/Advertiser to measure the campaign it ordered with an external 3rd party measuring code. Nevertheless, the Client/Advertiser acknowledges that for the completion of online campaigns and the related invoicing, the data measured by Gemius AdOcean or Smartclip smartx, i.e. the statistical system used by the Service Provider, shall, therefore, be prevailing, any derogations shall be subject to the individual written agreement of the Parties.
5. In the case of AV-based service, on the Client's request, the statistical system used by the Service Provider, i.e. Gemius AdOcean or Smartclip smartx, provides summary statistics as certificate of delivery and acceptance on AV, CT and Reach performances after the end of the campaign, and at the Customer's request, provide a screenshot of the specific appearance after the campaign has started. The exception to this are video campaigns appearing on the Premium CTV surface, for which the Service Provider provides AV and unique user statistics after the campaign has run, and due to the technical capabilities of these surfaces, it cannot provide screenshots of the appearances. In terms of campaign fulfillment, the Service Provider only guarantees AV fulfillment.
6. For the reporting of sponsor appearances (sponsor spot forming part of the programme), at the request of the Client, the Service Provider shall share with the Client the number of video starts for the supported programme generated during the performance period after the Advertisement has expired (on the day of the broadcast + 5/7 days). For the purposes of performance and thus invoicing, only the publication (i.e. the number) of the supported episodes according to the order is authoritative.
7. The Client may contest the invoice in writing within 8 calendar days after receipt of the invoice. Invoices not contested within 8 calendar days shall be considered as accepted, and the Client acknowledges that the Service Provider accepts no complaints after the expiry of this deadline.
8. The Client shall pay the invoice within 30 days after receipt of the invoice to the revenue account of the Service Provider.
9. Should the Client fail to comply with its payment obligation, the Service Provider is entitled to suspend the display of the ordered advertisements and may refuse further orders until the settlement of outstanding payments. The Service Provider invoices the advertising space ordered up to the given date to the Client.
10. The Service Provider may be entitled to request an advance payment in the following cases:
 - (a) in the case of new Clients,
 - (b) in the case of late settlement of previous invoices,

- (c) if the agreement concluded with the Client contains such a provision,
- (d) when the company's financial situation, solvency, or willingness to pay cannot be assessed based on the company information, with no reasoning required to be provided by the Service Provider,
- (e) if there is no agreement between the Client and the Service Provider concerning the annual commitment of the Client, and
- (f) if the financial position, solvency or ability to pay of the advertiser managed by the Client (Agency) cannot be evaluated.

If the Service Provider requires advance payment for any reason, the Client shall pay the amount of advance by the due date specified on the Service Provider's pro-forma invoice, to the Service Provider's revenue account. If the advance payment is not made before the deadline, then the Service Provider reserves the right to cancel the provision of the service, and to refuse to start the Campaign. The Service Provider shall issue a pro-forma invoice within 3 working days after the crediting of the advance, and shall send it to the Client. The Service Provider shall issue its final invoice in accordance with the provisions of the present OGTC, and the amount of the invoice shall include the advance already paid.

- 11. In the case of late payment, or any amendment/invoice correction due to the unauthorised application of any pricing factor, the Service Provider shall be entitled to get default interests under the Civil Code.
- 12. For foreign Clients, the invoices are issued in the foreign currency the Parties have agreed upon, on the basis of the HUF value of the advertising fee. The basis for the exchange shall be the selling exchange rate published by ING Bank on the day of invoicing. The invoice shall be settled in the currency specified on the invoice.
- 13. The banking costs related to the settlement of the invoice shall be borne by the Client.
- 14. The date of payment shall be the day on which the amount of the invoice is credited to the Service Provider's bank account.

IX. COMPLAINTS

The Client shall submit its complaints related to the completion and measurement of the order to the Service Provider in writing within 3 working days after publication, and it shall submit its complaints relating to the completion of the campaign to the Service Provider within 5 business days following the end of the campaign. The Client acknowledges that the Service Provider will not accept any complaint after such deadline, and it excludes its liability for damages according to the provisions of the Civil Code in the scope which can be legitimately excluded.

X. LIABILITY FOR THE CONTENT OF THE ADVERTISEMENTS

- 1. The Service Provider will not examine any advertising material handed over for display in respect of the compliance thereof with the laws and advertising ethics, and any loss, fine, civil claim (including legal costs) and expenses arising from such non-examination shall be the responsibility of the Client, the liability of the Service Provider is excluded in this respect. By accepting the present OGTC, the Client expressly undertakes to pay any and all fines imposed on the Service Provider or the provider of the given Website, Other Website, Large Screen Platform or Premium CTV surface (like the fines imposed by NMHH, the consumer protection authority or other - Hungarian or foreign - proceeding bodies, authorities), any and all procedural fees and any and all claims for damages/compensation and civil law claims, and the related costs (including legal fees) and expenses, arising from the violation of the respective laws and regulations, in particular the copyright law, advertising and media law, competition law, consumer protection law or civil law by the materials delivered by the Client, and to defend against such claims as provided for herein. Should any claim arise under the provisions of this section, the Service Provider shall notify the Client of the claim and—where it is possible—the Service Provider may, at its own discretion, forward the submitter of the claim—by providing information on the Client's direct liability—directly to the Client. In such cases, the Client shall

satisfy the claim directly at its own cost, and, due to direct liability, the third party submitting the claim may contact, or sue, the Client directly, and the Client shall, without delay, modify, satisfy, defend against such claims or act otherwise in respect of such claims. If the Client receives such a notification and fails to take appropriate action in the matter, or if the Service Provider or the provider of the Website, Other Website, Large Screen Platform, or Premium CTV surface protects these claims at its own discretion, either itself or through a third party appointed by it, then the Service Provider and the Website, Other Website or Large Screen Platform, and Premium CTV surface provider may also act on their own behalf and modify, settle, defend such claims, or otherwise act in relation to such claims, and the Service Provider may, at its sole discretion, deduct the costs incurred in connection with such claims from the amounts it may owe to the Client, or send an invoice to the Client for the costs incurred, in which case the Client shall be obliged to reimburse the Service Provider within the deadline specified in the Client's notification.

The Client acknowledges that the Service Provider shall publish the material delivered for the purpose of advertising only if the Client assumes full liability for it.

2. The Client warrants that the product to be displayed in the publication has a certificate of quality, or a certificate of conformity, necessary for distribution and it shall issue a declaration thereon simultaneously with the order, but not later than the publication is displayed, or if the product, based on a separate statutory regulation, is not subject to the obligation of preliminary quality or compliance control, it shall issue declaration thereon by the above deadline, otherwise the Service Provider may deny publication and it has the right to invoice a penalty in an amount equal to the fee of the ordered advertisement. The Client shall further warrant that the product/service does not violate any provision concerning the prohibition or restriction of advertisement under the Act on Media Services and on the Mass Media, Advertising Act or any other relevant law in force.
3. The Client shall indemnify (including without limitation damages, fines, procedural fees and legal costs) the Service Provider and/or the provider of the Website, Other Website, Large Screen Platform or Premium CTV surface directly and without delay, if the delivered advertising material, displayed later, infringes any regulations (applicable under either Hungarian or foreign jurisdiction), in particular, but not exclusively, the provisions of copyright law, consumer protection law, advertising and media law, any norms of press and advertising ethics or moral rights, provided that such infringement becomes a basis of a claim, enforced under a lawsuit or public administrative proceeding or any other way, against the Service Provider and/or the provider of the Website, Other Website, Large Screen Platform or Premium CTV surface.
4. In the case of all publications, including but not limited to commercial films, Public Purpose Advertisements, sponsorship films, etc., the Client shall ensure that their content and implementation is in compliance with the applicable laws in force.

XI. MISCELLANEOUS PROVISIONS

1. The Parties shall use their best efforts to settle disputes arising from their cooperation in an amicable way.
2. The Parties agree that their contractual relationship shall be governed by the laws of Hungary. In case of legal disputes, the Parties subject themselves to the jurisdiction of Hungarian courts.
3. These Online General Terms and Conditions have been drafted in Hungarian and English language. In case of any discrepancy, the Hungarian language version shall prevail.
4. If the Service Provider does not exercise any of its rights specified above, it cannot be construed as if the Service Provider has waived any of its rights. The rights of the Service Provider specified above are not exclusive, they may be applied together, their application does not exclude the exercise of other rights available to the Service Provider in accordance with the law or another contract.

5. These OGTC shall apply to the advertising sales activity for the year 2024 and subsequent years.

Revised and amended on 5 December 2025.
